Since the beginning of the Summer Intern Program in 1966, we have had 82 interns. Of these, 46 are still in school or in the military and 10 others we didn't want to take on full time. Of the remaining 26, we have gotten 17 (two thirds!) of the interns we wanted and 1 more is still considering full-time employment with us. Only 30 percent (8) of those we wanted have taken other employment.

This is a surprisingly good record!

The 17 interns that are now employed by us are in the following offices:

NPIC	9
OBGI	3
OCI	2
IAS	1
OSR	1
FBIS	1
OER	0
	<hr/>
	17

The former intern who is still considering is for NPIC.
